

Fitore Tahiri

Software Engineer

I am a dedicated Computer Science enthusiast with a keen interest in Software Engineering. Constantly working on my technical skills while attending conferences, trainings, and participating in group projects. I have experience in Object Oriented Programming with .NET and Java. In frontend I have worked with HTML, JavaScript, CSS and React.js.

As an upcoming graduate, I am on the cusp of completing my thesis and eagerly preparing to transition into the professional realm. I am excited to apply my knowledge and skills to contribute to innovative projects and make a meaningful impact in the industry.
